

Beware of these fraudulent companies
W Charter – Sessa Charter - Winnico Yachts – Adriatic Yachts
Owner: Tomasz Wrzesiński

As an owner of GlobeSailor SAS, yacht charter agency with more than 10 years of experience, I kindly ask you to be aware of manager Tomasz Wrzesiński and all companies related to his name, such as W Charter / Sessa Charter / Adriatic yacht / Winnico Yachts...

They have unlawfully withheld more than 7542 euros from one of our clients. After 3 months of long discussions and our attempts to recover the money, they only refunded 3500 euros. They create new companies every year to run away from all of their responsibilities.

I strongly recommend you to avoid any kind of cooperation with them.
